KHALID BIN AL WALID MOSQUE'S **CORONA VIRUS PLAN**

Dear Brothers and Sisters,
AssalamuAlaikum Warahmatullahi Wabarakatu,

After intensive consulting with the Muslim Scholars and following the directions of the Ontario Health Authorities; Khalid Bin Al Walid Mosque is announcing that all prayers including Friday Prayer will be suspended effective tonight, March 17, 2020 at 11:59pm, until further notice.

This decision was not an easy one to make for Board of Directors, the Masjid's Imam and Management. We did that to offer a full support in every possible way to help stop the spread of the Corona Virus.

We strongly advise you to establish your daily prayers at home in congregation with your family members, Allah will reward you as if you have prayed with the congregation (Jama') in the Masjid, InshaAllah.

Although the Mosque is closed during this crisis time, we will be still available to service you by answering all your calls. You can call Sh. Abukar @ 647-882-0466 or Sh. Bashir @ 647-624-3482.

The masjid is still doing it's funeral services, with some conditions and guidelines.

We ask Allah to make it easy for all us and for our beloved ones in this difficulty times.

Ameen

Board of Directors
